- Fee for the Financial or Investment Plan is \$1,250 plus GST (\$1,437.50 Incl. GST). This covers Advice Preparation, Wrap Account Onboarding, ID Verification, Investment Implementation and Planning Software for you to use(per household)
- Ongoing Portfolio Investment Management Service Fees:

Then \$1,000,000 to \$2,000,000	0.64%
Then \$2,000,000 to \$5,000,000	0.42%
\$5,000,000 and above	0.40%

Explanation of the Portfolio Investment Management Service Fees table:

Each band represents the fees charged for the amount of funds that fall into that band. As illustrated below, the fee structure is on a sliding scale, which means the total fees will reflect the combination of each band.

The Portfolio Management Fee and Wrap Account/Custodian administration fees are on a sliding scale structure i.e. for a \$750,000 investment the first \$500,000 at 1.15% (\$5,750.00) then the next \$250,000 would be charged at 0.91% (\$2,275.00) giving a combined total fee of 1.07% pa (\$8,025.00).

The Portfolio Management Fee is calculated daily by the Custodian and deducted from your cash account monthly and paid to DecisionMakers. The Custodian fee is calculated daily and deducted from your cash account monthly and paid directly to the Custodian.

Both the portfolio management fee and the custodial administration fee are tax deductible expenses. Half of the portfolio management fee is subject to GST. Half of the portfolio management fee and the entire custodial administration is not subject to GST.
